

COVID-19

INFORMATION UPDATE

All members of our campus communities (students, faculty and staff) are expected to be FULLY VACCINATED as soon as individuals are able to do so.

If you HAVE NOT yet been fully vaccinated, please continue to use a mask on our campuses in all locations (indoors and outdoors) until you are able to do so.

Masks are REQUIRED INDOORS, on all Ottawa University Campuses

- ▶ Specific exemptions do exist for those with medical conditions as negotiated with the Campus Covid-19 Contact/HR Department.
- ▶ Specific groups may have more specific guidelines: Residence Halls, Athletics, and Large Events.
- ▶ Private offices/spaces are exempt when access is restricted

SELF SCREENING: Stop and Review Prior to Entering an OU Campus Building

If you answer YES to the following Covid-19 Symptoms, please do not enter the building!

- ▶ Chills or FEVER over 100° F?
- ▶ Fatigue with muscle or body aches and/or a headache?
- ▶ Sore throat, cough or difficulty breathing?
- ▶ New loss of taste or smell?
- ▶ Nausea, vomiting or diarrhea?

Please refer to our Quick Reference Guide for details related to established University protocols. Document is available by emailing ouhr@ottawa.edu.
